

## PRO 1010IP KIT MDVR

*Siera manufactures reliable and affordable solutions in Electronic Security, CCTV, Access Control, Intercommunication and Professional Audio.*

### Featured specifications

- Outdoor Camera + Indoor Camera Dashcam
- Supports 4G, GPS, Bluetooth, WIFI
- SD card recording, (max 256GB)
- Compact size, modern design
- Easy to install
- Indoor camera with wide angle infrared
- External wide angle camera with WDR
- Built-in microphone and speaker for recording and two-way communication
- Panic button supported

<b>WIFI:</b>	Included
<b>Bluetooth:</b>	Included
<b>4G:</b>	Included
<b>Location:</b>	GPS (Included)
<b>Sensor:</b>	Gravity Sensor (Included)
<b>Power On Detection:</b>	Included
<b>Alarm:</b>	Panic button supported
<b>Storage:</b>	Support 1 TF/SD Card 32GB/64GB/128GB/256GB (Not included)
<b>Audio / Video:</b>	2 channels video / Embedded microphone and speaker Indoor Camera : 1920*1080P - 130° Angle - IR 940nm Outdoor Camera : 1290*960P - 111° Angle - WDR Brightness, Chroma, Contrast, Saturation and Sharpness H.264 Compression 500 Kbps-6Mbps ADPCM Audio Compression Life test, user management Video Type CBR / VBR Embedded Mic and Speaker for driver and passenger communication. Up to 5 seconds of recording after power failure or accidents.
<b>Cameras:</b>	Indoor 1/3" 2MPX - Outdoor 1/3" 1MPX 1/30 Sec - 1/100000 Sec Day/Night IR-Cut, IR Distance 5.3 mts (Indoor Camera) WDR, Light Compensation, S/N > 48db, (Outdoor Camera)
<b>Voltage:</b>	12 VDC / Vehicle ignition detection.
<b>Specifications:</b>	Operating System : Android Memory : 2GB RAM / 16GB ROM Size : 41* 69 * 100.9mm Working Temperature : -10°C to 70°C Stock Temperature: -40°C to 85°C Working Humidity: Less than 93%.
<b>Mobile Networks:</b>	TDD:B1,B3,B5,B7,B8,B28 FDD:B40,B41 WCDAM:B1,B5,B8
